

I CAN KEEP TRYING!

The Flyabouts™

Freddie the Very Determined Fly

Freddie doesn't give up when something is difficult.
Can you think of something you kept trying at?

Something I found tricky was...

What did I do when it got difficult?

- ☐ Tried again
- ☐ Asked for help
- ☐ Tried a different way
- ☐ Kept practising

I felt proud because...

Keep going!
You might be closer than you think!
