

Wash Those Hands!

When should we wash our hands?

Look at each picture.
If Geraldine should wash her hands,
tick the circle ✓.
If she does not need to wash her hands,
tick the circle ✗.

Clean hands help keep us healthy!

1 Before eating.

2 After using the toilet.

3 After playing outside.

4 After coughing or sneezing.

5 After touching a pet.

6 After drawing.

7 Before bed.

8 After wearing clean clothes.

Good job! Keeping our hands clean helps stop germs!

Try to wash your hands:
